

DECLARATION, POWER OF ATTORNEY AND PETITION

I, Enrique Molina, hereby declare that I am a citizen of Guatemala residing at 6 Calle 15-00, Zona 14, Guatemala City, Guatemala, Central America 01014, and that I believe that I am the original and first inventor of the subject matter which is claimed in Application Serial No. 09/995,486 that was filed on November 28, 2001 and for which a patent is sought on the invention entitled:

BUILDING CONSTRUCTION SYSTEM

I hereby declare that the subject matter of the amendment filed on October 17, 2007 was part of the invention and was invented before the filing date of the above-identified original application for such invention.

I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment specifically referred to above.

I acknowledge the duty to disclose information which is material to patentability of this application in accordance with Title 37, Code of Federal Regulations, Section 1.56.

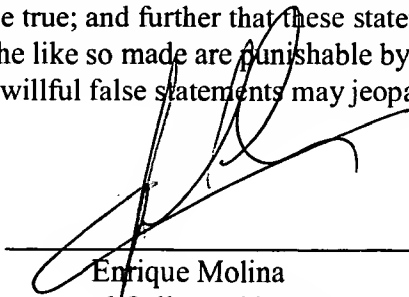

I acknowledge that no application for patent or inventor's certificate on this invention has been filed in any country foreign to the United States of America prior to this application by me or my legal representatives or assigns.

I hereby reaffirm the appointment Neil F. Markva, having an address of 8322-A Traftord Lane, Springfield, Virginia 22152, telephone no. 703-644-5000, as my attorney with full power of substitution and revocation, to prosecute this application and to transact all business in the Patent and Trademark Office connected therewith.

I pray that LETTERS PATENT be granted to me for the new and original invention for a BUILDING CONSTRUCTION SYSTEM set forth in the foregoing above-identified application, and I hereby subscribe my name to this declaration, power of attorney, and petition.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001 and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Date: December 17, 2007.

Enrique Molina
